Hello!

I recently spoke with Ben Beuchler; he encouraged me to contact you about potential internship opportunities currently available. After being introduced to Clockwork's impressive portfolio and strategies, I am certain my qualifications, motivation, and values make me the perfect candidate for assisting your creative and talented team.

My experience with skilled organizations, clients seeking no-fuss results, and training in interactive, web, graphic, game, and sound design has prepared me to provide you with:

- Advanced software and creative knowledge
- Collaboration, leadership, and conflict resolution skills
- Analytical thinking and creative problems-solving
- Assistance within a variety of production areas
- An intense value of open communication
- The ability to defuse awkward or undesirable situations with humor

Thank you for considering my resume (also attached) and online portfolio. I would be thrilled to join Clockwork and look forward to further discussing my experience in relation to your needs. I will email you in two weeks to follow up. In the meantime, please do not hesitate to contact me at (608) 358-6002 or joeltgillman@gmail.com if you have any questions.

Sincerely,

Joel T. Gillman
